## Welcome letter from Judith Estrella MYBA Charter Show Panel Chairwoman

Welcome to the premier yacht charter show of the year!

As Chair of the MYBA Charter Show Panel, it is my pleasure to extend a warm welcome to all industry professionals to the important meeting that is the MYBA Charter Show! Set again in Genoa, our yacht Show promises to be a complete success with more than 50 yachts on display and over 800 attendees.

After a few years in Barcelona, we decided to come back to Italy to host the MYBA Charter Show (our historic location for 20 years).

We are extremely happy of the warm welcome in Genoa, not only from the hosts, but also the yachts, sponsors, exhibitors and brokers, who all have shown a high interest and will make this Show, one of the most successful ones in our books.

From April 22nd to April 25th, 2024, join us at the forefront of the yachting world where the best charter yachts in the world will be ready to welcome visitors. Marina Molo Vecchio will showcase more than 50 yachts from 20 to 100 metre-length. The exhibitors area, in a new innovative setting, will host 70 companies. We also have an interesting agenda of seminars and we can't forget our entertaining nights: the Captains' Dinner, the Exhibitors' Party Night, the Show Opening Cocktail at the dreamy Villa Lo Zerbino and the Crew Thank You! event.

Last but not least, we need to highlight the MYBA Superyacht Chefs' Competition, during which chefs and stews will showcase their skills.

Make the most of this event to engage with industry experts and see old friends, and don't forget to immerse yourself in the world of luxury yachting like never before. At the MYBA Charter Show, we pride ourselves on delivering an unforgettable experience, where every detail is meticulously planned to ensure your enjoyment and satisfaction.

I would like to thank all the members of the Charter Show Panel, Pesto Sea Group, the MYBA Board, the AYSAS team (specially to Armelle and Jane) and Pat Sakellari as MYBA's Marketing Consultant.

Thank you for your hard work in making the organisation of the MYBA Charter Show possible.

I look forward to welcoming you aboard!

Sincerely,

Judith Estrella

## Welcome letter from Marco Bucci Mayor of the city of Genoa

This year, the prestigious MYBA Charter Show has chosen Genoa: it is an honor for a city so deeply connected to the sea to host one of the most important events in the international yachting and charter industry. Genoa has been a crossroads of cultures and trades for centuries, a bustling port of activity and exchange. Our docks have seen ships coming from every corner of the globe, bringing with them goods, ideas, and people. This incessant exchange has shaped our city, enriching it with a cultural wealth and an invaluable maritime heritage.

But our maritime vocation is not just part of our glorious past, it is also a driving force for our future. The MYBA Charter Show will be a great opportunity to showcase to the world the potential of our city, the ambitious investments, and projects we are working on for our infrastructure, with particular attention to port facilities.

During these days Genoa will become a showcase for the most exclusive vessels and charter-related services, attracting the attention of industry experts and enthusiasts. It is not only an economic opportunity for our city, but also a chance to promote nautical tourism and consolidate our position as a top destination for sea lovers. We are ready to welcome industry professionals, exhibitors, and all participants of the MYBA Charter Show with the warmth and hospitality that characterize our city. From the wonderful views of the Old Port to the delightful streets of the historical center, Genoa will offer an unforgettable experience to all those who participate in this extraordinary event.

Sincerely,

Marco Bucci

Welcome letter from Fabio and Max Pesto  
 Chairman and Managing Director of Pesto Sea Group  
 (in respective order)

Dear esteemed participants,

We are thrilled to warmly welcome you all to the 2024 MYBA Charter Show!

As the organisers of this prestigious event, on behalf of MYBA The Worldwide Yachting Association, we are filled with a profound sense of pride and excitement at hosting this grand spectacle again in our beloved city, Genoa, along Marina Molo Vecchio's dock.

With its renowned historic maritime heritage, Genoa is increasingly becoming a pivotal hub for yachting in the Mediterranean. In this vision, the MYBA Charter Show plays a significant role. The past success of the event and the enthusiastic interest shown this year by all participants stand as a testament to the passion and commitment that are the heart of the global yachting community.

In an ongoing endeavour to provide an enriching and worthwhile experience to all attendees, a new layout has been introduced which aims to generate even more networking opportunities and pave the way to fruitful connections and collaborations. We deeply thank all industry stakeholders for embracing these changes with open arms and for their positive feedback.

Here's to a successful and enjoyable 34th MYBA Charter Show! We look forward to welcoming you to Genoa and making this event a resounding success!

Sincerely,

Fabio and Max Pesto
