For environmental reasons all visiting yachts are asked to use the shore power supplied by the marina and to stop their generators during their stay.

SHORE POWER: Yachts' installation must comply with the local shore power.

A yacht unable to connect to the shore power will not be able to participate in the Show.

For any information, please contact the Marina Office by email - mybashow.marina@mmv.it or by phone +39 010 27011.

IMPORTANT INFORMATION FOR CAPTAINS:

As Marina Molo Vecchio is located within a commercial port, commercially registered yachts must carry out port clearances and formalities.

Please appoint an authorised local Yacht Agent to complete the procedure prior to arrival.

Should you need a local agent, you may contact Pesto Sea Group to support you with a complete and efficient service (genova@pestoseagroup.com - please indicate MYBA in the email subject) or alternatively, you may contact any other registered agent of your choice.

Please be reminded that Pleasure yachts over 300 GRT must carry out a garbage declaration. Yachts over 500 GRT must request a pilot and port mooring assistance.

Yacht area access information:

Before the opening of the Show, only crew wearing yacht uniform and/or showing the pass given by Marina Molo Vecchio will be allowed inside the yacht area. Each pass will need to show the yacht stamp and the name of the crew member. Please email the updated crew list (editable file preferable) before April 21 to mybashow.marina@mmv.it.

During the Captains' Safety Briefing on Sunday 21st April, each Captain will be given his/her personal Show pass, along with the passes for all crew.

Yacht Arrival and Departure dates

Yachts are expected to arrive by Saturday 20 April 2024 and it is important to respect the timeslots given by the Marina. A minimum of 6 nights will be charged and the Show daily berthing fees will be applied. For any additional days of dockage, before or after the mandatory 6 days, please contact the Marina for availability and quotation by sending an e-mail to mybashow.marina@mmv.it.

Each yacht's date and time of arrival will depend on their size and berth location and will be agreed in coordination with Marina Molo Vecchio. One additional factor affecting this is the availability of Pilots and Port Mooring assistance for yachts over 500GRT.

Please note that yachts cannot leave before the end of the Show.

For the same reasons that are mentioned above, the yacht's date and time of departure will also have to be agreed with Marina Molo Vecchio.

DELIVERIES, SUPPLIES AND SHIP AGENTS' APPOINTMENTS ON/TO THE YACHTS must be arranged outside of the Show hours and therefore before 9h00 in the morning and after 18h30; such visitors may only be admitted when accompanied by a crew member from the relevant yacht.

Any authorisations for vehicles must be requested by sending an e-mail to mybashow.marina@mmv.it.

POLLUTION POLICY: Any yacht deemed to be causing a nuisance to other yachts and exhibitors will be asked to leave. The Show reserves the right to exclude yachts whose exhaust causes a problem to others (the yacht fees are not refundable).

WASTE DISPOSAL: Domestic waste disposal is included in the berthing rate. Any other waste will be managed and charged separately (hazardous waste and voluminous waste)

BLACK WATER DISPOSAL: During the Show, it won't be possible to dispose of black water. Please ensure you empty your tanks before arrival. Please contact Marina Molo Vecchio for further info by email mybashow.marina@mmv.it. or phone +39 010 27011.
